Dear Ms. Sublett:

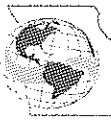

Attached is a plan modification from the St. Louis City Workforce Investment Region. This modification requests the transfer of funds from Dislocated Worker to Adult. Planning Budget Summaries have been submitted and are attached for your review. Because we are located in an urban core we serve an increased number of Adults and will use this transferred money to provide services and other needs including skills and other training, upgraded technology needs, and more.

Thank you for your consideration of this request.

Sincerely,

Francis G. Slay
